◆ About Me

Currently, I'm pursuing my B.tech Degree in Computer Science from Engineering College Ajmer. Learning is an integral part of growing. My aspirations in life are to continue crafting my passions: Deep Learning, Machine Learning, and Web Development. I thrive in competitive environments geared towards outstanding results.

◆ EXPERIENCE

Internship at Turquoise Digital Solutions

At Turquoise Digital Solutions, I have worked on modern web development frameworks such as React.js and has developed websites for various companies. I have gained better understanding of React.js and JavaScript while working at Turquoise Digital Solutions.

Associate Trainee at Mindset Consulting

During my time at Mindset Consulting, I worked as an Associate Trainee, focusing on API development using Node.js, creating OData services, conducting API tests with Postman, and designing frontends using React.js. This experience enhanced my skills in these technologies and provided a dynamic learning environment surrounded by experienced professionals.
